

St. Xavier's University, Kolkata

Established: February 8, 2017

A Jesuit University

Recognized by:

PG COURSE BROCHURE 2025

VICE-CHANCELLOR'S MESSAGE

Welcome to St. Xavier's University, Kolkata, where education transcends traditional boundaries to inspire, transform and empower students for meaningful lives.

Since our inception in 2017, we've grown exponentially from 400 pioneering students to over 3,400 students and 3,700 alumni. This remarkable journey reflects our commitment to academic excellence, Jesuit values and social responsibility.

Our postgraduate courses, spread across various faculties, are thoughtfully designed to cultivate intellectual depth, professional expertise and ethical leadership. We offer the M.Com programme under the Faculty of Commerce, equipping students for commerce and finance excellence.

The Faculty of Science includes M.Sc. in Statistics and M.Sc. in Computer Science, emphasizing analytical and quantitative skills. Within the Faculty of Arts & Social Studies, we offer M.A. programmes in Economics, Psychology, Mass Communication, English and also offer Master of Social Work. These programmes foster a deep understanding of human behavior, societal challenges and cultural narratives.

Xavier Business School (XBS) offers a two-year MBA programme, meticulously designed to develop future-ready leaders through a balanced blend of classroom learning and experiential training. Recognising the evolving needs of working professionals, we recently launched the MBA (Executive) program on a weekend mode.

Xavier Law School (XLS) will introduce Master of Laws (LL.M.) programme from the academic session 2025-26, adding a vital dimension to our portfolio. Alongside our postgraduate offerings, we provide eight undergraduate programmes aligned with UGC's National Education Policy (NEP) guidelines.

Our students benefit from comprehensive placement assistance, grooming and professional training to secure roles in top multinational companies, start-ups and organisations worldwide.

Our campus is a vibrant environment with state-of-the-art infrastructure, fostering academic excellence and personal growth through co-curricular and extra-curricular activities. We embody the Jesuit ideal of forming "men and women for others," instilling purpose, responsibility and community service.

As you consider your next steps, I invite you to join the St. Xavier's legacy, nurturing intellectual curiosity, ethical leadership and preparing you to make a lasting impact.

We look forward to welcoming you to our Xaverian community and supporting your growth and discovery.

Rev. Dr. John Felix Raj, S.J.
Vice-Chancellor, St. Xavier's University, Kolkata

ABOUT THE UNIVERSITY

St. Xavier's University, Kolkata (SXUK) was conceived in 2011, when Rev. Dr. John Felix Raj, S.J., along with the members of the St. Xavier's College (Calcutta) Alumni Association envisaged 'SXC Vision 2020', which encompassed the establishment of St. Xavier's University.

The university was established with a desire to deepen human understanding & create an excellent platform for teaching, scholarship & research and, thus, create a pool of ethically aware & sensitive citizens. In 2012, when the Hon'ble Chief Minister of West Bengal, Mamata Banerjee, graced the Convocation of St. Xavier's College (Autonomous), Kolkata, she proposed that the College be upgraded to the status of a university, or a separate University be established under the Jesuit banner. The Government of West Bengal extended its valuable support to the Jesuits by granting 17 acres of land for the St. Xavier's University campus to be built at New Town. The University is widely recognised as an important centre & destination for the young citizens of India who are eager to learn & create, and for faculty & researchers committed to the values of scholarship & cooperation.

COURSES OFFERED

UNDERGRADUATE

- B.A. LL.B. (Hons.)
- B.Com. LL.B. (Hons.)
- Bachelor of Commerce (B.Com. Hons.) – Day & Morning
- Bachelor of Management Studies (B.M.S. Hons.)
- Bachelor of Arts in Economics (B.A. Hons.)
- Bachelor of Arts in English (B.A. Hons.)
- Bachelor of Arts in Mass Communication (B.A. Hons.)
- Bachelor of Arts in Psychology (B.A. Hons.)
- Bachelor of Science in Statistics with Data Science (B.Sc. Hons.)

- 5 Years (10 Semesters)
- 5 Years (10 Semesters)
- 4 Years (8 Semesters)

POSTGRADUATE

- Master of Commerce (M.Com.) – Morning
- Master of Science in Statistics (M.Sc.)
- Master of Science in Computer Science (M.Sc.)
- Master of Arts in Economics (M.A.)
- Master of Arts in Mass Communication (M.A.)
- Master of Arts in English (M.A.)
- Master of Arts in Psychology (M.A.)
- Master of Social Work (M.S.W.)
- Master of Business Administration (M.B.A.)
- M.B.A. (Executive) – Weekend Classes
- Master of Laws (LL.M.)

- 2 Years (4 Semesters)

MASTER OF COMMERCE (M.COM.)

PROGRAMME OVERVIEW:

The Master of Commerce (M.Com.) launched in 2017 is a UGC-approved, 2-year programme focused on applying theory to real-world scenarios. Designed by a team of esteemed professors and industry experts, the curriculum emphasizes practical learning through internships and research projects. This comprehensive programme equips students with domain-specific knowledge and analytical skills, preparing them for successful careers in the corporate and academia. With a strong focus on experiential learning, the M.Com. course enables graduates to pursue advanced studies and succeed in competitive professional environments.

- ▶ **Specialisation:** Finance OR Marketing
- ▶ **Course Duration:** 2 Years (4 Semesters)
- ▶ **Regular Class Timings:** 7 AM to 11:15 AM
- ▶ **Remedial Class & Other Activities:** 11:15 AM to 12 Noon

PROGRAMME HIGHLIGHTS:

- ◆ Specialised NET/SET Preparation Classes.
- ◆ Placement & Internship Assistance in MNCs.
- ◆ Personalised Corporate Grooming Sessions.
- ◆ Comprehensive and Industry-Relevant Curriculum.
- ◆ Regular Seminars and Workshops by Experts from Industry and Academia.
- ◆ Entrepreneurship Development through the Institution Innovation Council (IIC).
- ◆ Case-Based Teaching and practical exposure through industry visits, live projects etc.

ADMISSION DETAILS:

Eligibility Criteria for Application:	Compulsory Courses in UG	B.Com. or B.B.A. or B.M.S. (Bachelor of Management Studies)
	Aggregate Marks required for Application	45% for General and 40% for Reserved Category (SC /ST/OBC/OBC-A/OBC-B/Divyang (PWD)/ Christian)
Marks Calculation	For those having Hons. Degree: Percentage will be calculated on the basis of Honours / Major papers (as shown in the marksheet) or the Hons. Course (as shown in the marksheet excluding compulsory language and compulsory ENVS Papers) For those having General Degree: Percentage will be calculated on the basis of the all the papers except compulsory language and compulsory ENVS Paper	
Selection	On the basis of Admission Test Marks.	
Admission Test Details (100 Marks; 2 Hours)	100 Questions of 1 Mark Each (in MCQ Format) – No Negative Marking • Quantitative Technique (20 Marks) • Economics (20 Marks) • Accounting and Finance (30 Marks) • Management (30 Marks)	

FEE STRUCTURE:

- Admission Fee: ₹30,000
- Security Deposit (Refundable): ₹5,000 (to be paid at the time of admission)
- Alumni Life Membership Fee: ₹5,015 (to be paid along with 4th semester course fees)
- Fees for Foreign Students: Refer to our website

M.Sc. IN STATISTICS

PROGRAMME OVERVIEW:

The M.Sc. in Statistics programme, started in 2022, offers a comprehensive curriculum designed to address both industry demands and research requirements. The programme provides students with robust theoretical knowledge and extensive practical training, supported by state-of-the-art computing facilities equipped with modern statistical tools and software. To ensure students remain at the forefront of the field, the department emphasizes continuous learning through regular seminars and workshops, introducing the latest trends and methodologies in statistics. Additionally, students have access to valuable placement and internship opportunities, which bridge academic learning with real-world applications, preparing them for successful careers in analytics, data science, and research.

- Course Duration: 2 Years (4 Semesters)
- Regular Class Timings: 10 AM to 3:40 PM
- Remedial Class & Other Activities: 3:45 PM to 5 PM
- Specialisation: Industrial Statistics OR Business Analytics OR Biostatistics

PROGRAMME HIGHLIGHTS:

- ◆ Placement and Internship Opportunities.
- ◆ Knowledge Enhancement through Seminars and Workshops by Experts.
- ◆ State-of-the-Art Lab Facilities with **advance statistical software** and tools.
- ◆ **Merit Scholarships** available up to 100% tuition fee waiver based on UG marks.
- ◆ Industry-Relevant Curriculum with a mix of detailed theoretical coursework & practical training.
- ◆ Experienced Full-Time Faculty duly supported by visiting faculty from institutes of repute and industry.

ADMISSION DETAILS:

Eligibility Criteria for Application:	Compulsory Courses in UG	B.Sc. Hons./Major in Statistics or B.Sc. Hons./Major in Mathematics with Statistics as general elective subject.
	Aggregate Marks required for Application	45% for General and 40% for Reserved Category (SC /ST/OBC/OBC-A/OBC-B/Divyang (PWD)/ Christian)
Marks Calculation	Percentage will be calculated on the basis of Honours/Major papers (as shown in the marksheet) or the Hons. Course (as shown in the marksheet excluding compulsory language and compulsory ENVS Papers)	
Selection	On the basis of Admission Test Marks.	
Admission Test Details (100 Marks; 2 Hours)	100 Questions of 1 Mark Each (in MCQ Format) – No Negative Marking • Statistics (70 Marks) • Mathematics (30 Marks)	

FEE STRUCTURE:

- Admission Fee: ₹30,000
- Security Deposit (Refundable): ₹5,000 (to be paid at the time of admission)
- Alumni Life Membership Fee: ₹5,015 (to be paid along with 4th semester course fees)
- Fees for Foreign Students: Refer to our website

Time Series Analysis & Development Statistics	4	100
Advanced Data Analytic Techniques (Resampling Techniques / Missing Data / Longitudinal Data)	4	100
Elective Paper*	4	100
Sub-Total	24	600

Papers	Credit	Full Marks
Statistical Analysis of Big Data	4	100
Specialization Paper 1#	4	100
Specialization Paper 2#	4	100
Specialization Paper 3#	4	100
Project	6	200
Sub-Total	22	600
Grand Total	96	2500

NOTE: Compulsory Internship for additional 2 Credits (100 Marks)

*Elective Options (Any 1) - Demography / Optimization Techniques / Actuarial Statistics

INDUSTRIAL STATISTICS#	BUSINESS ANALYTICS#	BIOSTATISTICS#
Operations Research	Econometrics	Survival Analysis
Reliability Theory	Financial Time Series	Clinical Trials
Statistical Quality Management	Machine Learning in Finance / Financial Econometrics	Statistical Genetics / Epidemiology

M.Sc. IN COMPUTER SCIENCE

PROGRAMME OVERVIEW:

The M.Sc. in Computer Science programme, launched in August 2022, combines rigorous academic learning with hands-on training to prepare students for dynamic careers in technology & research. The department employs a balanced approach to teaching, utilizing traditional methods alongside modern tools like PowerPoint presentations, audio-visual aids, & interactive sessions. Students benefit from video lectures, regular seminars, workshops, guest lectures by industry experts, keeping them updated with the latest trends & technologies. The curriculum is designed to meet the demands of the tech industry, aiming to produce well-rounded professionals with both technical expertise & a sense of social responsibility, ready to make significant contributions in the field of computer science.

- **Course Duration:** 2 Years (4 Semesters)
- **Regular Class Timings:** 10 AM to 3:40 PM
- **Remedial Class & Other Activities:** 3:45 PM to 5 PM
- **Specialisation:** Networking & Cyber Security OR Data Analytics OR Artificial Intelligence and Machine Learning

PROGRAMME HIGHLIGHTS:

- ◆ **Merit Scholarships:** Up to 100% tuition waiver based on UG marks.
- ◆ **Career Guidance:** Comprehensive support for professional growth.
- ◆ **Value-Added Courses:** Includes LaTeX programming for skill enhancement.
- ◆ **Placement & Internship Support:** Access to top tech firms and organisations.
- ◆ **Industry-Focused Curriculum:** Updated to meet tech and research demands.
- ◆ **Advanced Computer Lab:** Equipped with latest software for practical training.
- ◆ **Research Opportunities:** Innovation-driven projects under faculty mentorship.

ADMISSION DETAILS:

Eligibility Criteria for Application:	Compulsory Courses in UG	B.Sc. Honours or Major in Computer Science / Information Technology / Computer & Information Science or B.Tech in Computer Science / Information Technology / Electronics & Communication or Bachelor of Computer Application (BCA) or B.Sc. Honours or Major in Physics / Mathematics / Statistics / Electronics with Computer Science as general elective subject.
	Aggregate Marks required for Application	45% for General & 40% for Reserved Category (SC / ST / OBC / OBC-A / OBC-B / Divyang (PWD) / Christian)
Marks Calculation	Percentage will be calculated on the basis of Honours/Major papers (as shown in the marksheet) or the Hons. Course (as shown in the marksheet excluding compulsory language and compulsory ENVS Papers)	
Selection	On the basis of Admission Test Marks.	
Admission Test Details (100 Marks; 2 Hours)	100 Questions of 1 Mark Each (in MCQ Format) – No Negative Marking <ul style="list-style-type: none"> • Basics of Computer Science (70 Marks) • Computational Mathematics (30 Marks) 	

FEE STRUCTURE:

- Admission Fee: ₹30,000

Security for Cyber Physical system	Natural Language Processing (NLP)	Natural Language Processing (NLP)
Web Technology	Social Network Analytics	AI in Healthcare and Business

M.A. IN ECONOMICS

PROGRAMME OVERVIEW:

M.A. in Economics at St. Xavier's University, Kolkata, is a two-year postgraduate programme that combines theoretical knowledge with practical skills, designed to meet industry needs. Established in 2018, the Department of Economics provides students with exposure to advanced statistical tools, software, and data analysis techniques. The programme emphasizes research, with students encouraged to write dissertation and participate in seminars, training programs, field surveys and invited lectures. Faculty expertise spans areas such as Development Economics, Applied Econometrics, Economics of Social Sector, Gender Economics, Labour Economics, Political Economy, etc. The department also offers guidance for competitive exams and corporate placements, ensuring students are well-prepared for careers in academia, research, and industry. Additionally, the Economic Society organizes extracurricular activities, enriching the student experience.

- Course Duration: 2 Years (4 Semesters)
- Regular Class Timings: 10 AM to 3:40 PM
- Remedial Class & Other Activities: 3:45 PM to 5 PM

PROGRAMME HIGHLIGHTS:

- ◆ Personalized Grooming for Placement in Corporate Houses like PwC, Deloitte, Aditya Birla Finance, Kantar and others.
- ◆ Rigorous Mathematical Approach & Comprehensive Research Opportunities.
- ◆ Industry Academia Integration through seminars, lectures, and training programs.
- ◆ Historical, Descriptive & data-oriented approach for courses like Development & Indian Economy.
- ◆ Hands-on experience with powerful tools like R Studio, Python, & EViews for data analysis & modelling.
- ◆ Regular Workshops on Analytical Techniques like data mining, regression analysis, time series analysis, & graphical representations.
- ◆ Field Survey-Based Training Practical training including questionnaire preparation, sampling, data entry, and report generation, provides real-world exposure.

ADMISSION DETAILS:

Eligibility Criteria for Application:	Compulsory Courses in UG	B.A./B.Sc. Honours or Major in Economics or B.A./B.Sc. Honours or Major in Mathematics / Statistics
	Aggregate Marks required for Application	45% for General and 40% for Reserved Category (SC /ST/OBC/OBC-A/OBC-B/Divyang (PWD)/ Christian)

M.A. IN MASS COMMUNICATION

PROGRAMME OVERVIEW:

M.A. in Mass Communication course is designed to equip students with both theoretical knowledge and practical skills. Launched in 2017, the department is a cornerstone of the Faculty of Arts and Social Studies, and it also offers a Ph.D. programme. The department features a state-of-the-art production studio with advanced multi-camera setup, teleprompters, sound lab, and high-end postproduction facilities. The curriculum combines classroom learning with hands-on experiences such as internships, projects, research, and fieldwork, preparing students to become specialists capable of designing effective communication content and solving real-world challenges.

- Course Duration: 2 Years (4 Semesters)
- Regular Class Timings: 10 AM to 3:40 PM
- Remedial Class & Other Activities: 3:45 PM to 5 PM
- Specialisations: Marketing Communication OR Digital Video Production

PROGRAMME HIGHLIGHTS:

- ◆ Value-Added Courses are provided to students to enhance their academic & professional profiles.
- ◆ **Placement & Internship** in media organizations and production houses, helping students kickstart their careers.
- ◆ Leadership and Skill Enhancement through events like photography and debate competitions, helping students to develop their communication, and stress management skills.
- ◆ Distinguished faculty members mentor students in research & organise workshops led by industry experts, ensuring exposure to the latest media trends.
- ◆ Industry-Integrated curriculum blends theory & practical components, fostering holistic student development with strong industry-academia connections.
- ◆ Students benefit from a cutting-edge **production studio & MacLab** and engage in field visits & real-life projects to enhance their learning.
- ◆ Students can display their work through the department's e-newsletter, gaining exposure to a wider audience.

ADMISSION DETAILS:

M.A. IN ENGLISH

PROGRAMME OVERVIEW:

The MA Programme in the Department of English, operational since July 2017, mixes traditional teaching methods with modern approaches, including digital media & interactive sessions. The department hosts invited lectures by eminent scholars globally, while faculty specialise in areas such as 18th-Century Studies, Memory & Gender Studies, and Women's Writing. Students cultivate research skills through seminars, projects, & compulsory dissertations.

- Course Duration: 2 Years (4 Semesters)
- Regular Class Timings: 10 AM to 3:40 PM
- Remedial Class & Other Activities: 3:45 PM to 5 PM

PROGRAMME HIGHLIGHTS:

- ◆ Comprehensive curriculum covering various literary genres, critical theories, & interdisciplinary subjects.
- ◆ Students enhance their creative writing abilities & communication skills through specialised workshops & projects.
- ◆ The programme offers career support and placement opportunities in teaching, writing, publishing, media, and other related fields, helping students transition smoothly into the workforce.
- ◆ The programme emphasizes developing strong analytical, critical thinking, and writing skills, preparing students for academic and professional success.
- ◆ The course is delivered by highly qualified and experienced faculty members, offering expertise in diverse areas of English literature and language.
- ◆ Students are encouraged to engage in independent research, allowing them to explore various facets of literature, language, and culture.
- ◆ Department organises literary festivals, guest lectures, and events that expose students to world literature and contemporary trends.

ADMISSION DETAILS:

Eligibility Criteria for Application:	Compulsory Courses in UG	B.A. Honours / Major in English
	Aggregate Marks required for Application	45% for General and for Reserved Category (SC /ST/OBC/OBC-A/OBC-B/Divyang (PWD)/ Christian)
Marks Calculation	Percentage will be calculated on the basis of Honours/Major papers (as shown in the marksheet) or the Hons. Course (as shown in the marksheet excluding compulsory language and compulsory ENVS Papers).	
Selection	On the basis of Admission Test Marks.	
Admission Test Details (100 Marks; 2 Hours)	100 Questions of 1 Mark Each (in MCQ Format) – No Negative Marking <ul style="list-style-type: none"> • Grammar and Vocabulary (20 Marks) • Reading Comprehension (20 Marks) • Authors from British literature, American literature & Indian writing in English (10 marks) • Title of works: British literature, American literature & Indian writing in English (10 marks) • History of English Literature, trends & literary movements: British literature (10 marks) • Overview of American literature & Indian writing in English (10 marks) • Literary types & genres—Classical and British literature (10 marks) • Critical analysis, analysis of style, common rhetoric (10 marks)

M.A. IN PSYCHOLOGY

PROGRAMME OVERVIEW:

M.A. in Psychology course, launched in August 2021, aims to develop a highly skilled psychological workforce through its dynamic curriculum. The programme provides a robust foundation in core psychological theories and research, complemented by advanced electives. Classroom learning is interactive, incorporating presentations, research projects, and assignments that foster critical discussion and practical insights. The department supports students in gaining research experience, preparing for professional and academic careers, and encourages higher studies in psychology, envisioning future expansion into additional specializations and advanced programmes.

- ▶ **Course Duration: 2 Years (4 Semesters)**
- ▶ **Regular Class Timings: 10 AM to 3:40 PM**
- ▶ **Remedial Class & Other Activities: 3:45 PM to 5 PM**
- ▶ **Specialisations: Clinical Psychology OR Organizational Behaviour**

PROGRAMME HIGHLIGHTS:

- ◆ **Comprehensive Curriculum:** The program provides a strong foundation in psychological theories, research methods, and specialised electives in Clinical Psychology and Organisational Behaviour.
- ◆ **State-of-the-Art Infrastructure:** The department is equipped with advanced facilities, like research labs, psychological testing tools, and resources to support academic and professional growth.
- ◆ **Hands-on Training and Practical Exposure:** Students gain practical experience through internships, case studies, and field visits, ensuring real-world application of psychological principles.
- ◆ **Personalised Training for NET/SET Aspirants:** Specialised coaching is available for students to excel in competitive exams, preparing them for academic and research careers.
- ◆ **Placement & Internship Assistance:** Dedicated support for securing placements and internships in counselling centres, corporate sectors, hospitals, and NGOs.
- ◆ **Research Opportunities:** Students are encouraged to undertake independent research projects, enhancing their skills in data collection, analysis, and interpretation.
- ◆ **Value-Added Courses:** Enrichment courses are offered to broaden students' skill sets and deepen their understanding of contemporary psychological topics.

MASTER OF SOCIAL WORK (MSW)

PROGRAMME OVERVIEW:

The Master of Social Work (M.S.W.) programme, established in 2017, is dedicated to developing skilled professionals equipped to address complex social issues and promote social change. In response to the need for qualified social workers in eastern India, the programme provides an education rooted in international standards, preparing students to work in development and welfare. With a curriculum focused on socio-economic realities, rights, development, and gender issues, the M.S.W. programme trains students in planning, resource mobilization, and organisational management. Through a blend of theoretical knowledge and practical skills, students are prepared for meaningful careers in social work, policy studies, and advocacy.

- Course Duration: 2 Years (4 Semesters)
- Regular Class Timings: 10 AM to 3:40 PM
- Remedial Class & Other Activities: 3:45 PM to 5 PM
- Specialisations: Human Resource Development & Management OR Family & Child Welfare

PROGRAMME HIGHLIGHTS:

- ◆ **Merit & Need-Based Scholarships:** Many scholarships to support students financially, recognizing merit & financial need.
- ◆ **Comprehensive Curriculum:** The M.S.W. programme offers a curriculum aligned with international standards, focusing on socio-economic realities, development issues, and social justice.
- ◆ **Intensive Field Work:** Students complete almost 1,000-1,200 hours of hands-on fieldwork, gaining invaluable experience in real-world social work settings.
- ◆ **Theme-Based Rural Camps:** Students participate in rural camps focused on specific social themes, providing immersive learning in rural community dynamics.
- ◆ **Research Opportunities:** The programme emphasizes student-led research projects, fostering skills in data analysis, policy study, and problem-solving.
- ◆ **Placement & Internship Assistance:** Dedicated support is available for placements and internships in NGOs and the corporate sector, enhancing students' practical experience and professional networks.

HOSTEL

St. Xavier's University offers residential facilities to the students through two separate hostel buildings for men and women namely "Tagore Residence for Boys" and "Mother Teresa Residence for Girls" respectively, **located within the premises of the campus.**

The hostels are thoughtfully designed to provide a safe, inclusive, and comfortable living environment. Each spacious residential hostel offers 2/3 occupancy rooms with attached bathrooms, sitting lounges, and essential amenities, including gaming facilities, newspapers, Wi-Fi, cable TV, water purifiers, geysers, and a visitor's lounge. On-demand laundry services are also available. Regular sanitization and pest control ensure cleanliness and hygiene, while **vigilant security and 24/7 CCTV surveillance** provide a secure environment, allowing students to focus on their academics. Dedicated residential staff support students from diverse backgrounds, fostering a sense of community. Hostel life also nurtures lasting friendships and memorable experiences.

The hostels accommodate about **600 students – 300 girls and 300 boys**. The hostel mess provides 3 meals per day (Breakfast, Lunch and Dinner) and both vegetarian and non-vegetarian food.
